Absent Board Members: Rose Scarborough (Vice President), Peg Weisse (Treasurer)

**Call meeting to order:** M Scarborough 6:42 pm

Approval of Minutes: M Scarborough approve. Sizemore second. All approve

**President's Report:**

- M Scarborough had a meeting with Schiermeyer (Superintendent), Coulson (Athletic Director) and Calden (Principal) to discuss district funding of athletics. Confirmation between all was provided that Boosters pays for athletic trainer supplies since the district pays for the salaries. Discussion was made between potential long term goals for financing sports. Potential things to consider is to pursue a bond (like Santa Cruz High school) to pay for sports. The district has some capital improvements for the tri-campus such as the bleachers, middle school soccer field and the middle school softball field. The district has confirmed they are responsible for safety type requirements such as helmets, pads, etc. Coulson was advised to send the costs for the administration of referees to the district for reimbursement. M Scarborough discussed the loss in profit in bingo impacting the financial stability of the athletic boosters and the issues surrounding the lack of volunteerism. Additional discussion was had surrounding the potential field lights as the feasibility study was estimated at \$250k and alternative methods will need to be further investigated due to the high cost.

**Financial Report:**

- Not available. Coaches balance standing was provided.

**Current Funds Requests:**

- Athletic trainer has supplemental request for additional supplies such as gatorade cooler, taping, stretching board, tens unit for a total of \$1,090.26. M Scarborough makes a motion to approve. Rowe seconds. All approve.

**Agenda items**

- The 2024 financial YTD stayed under \$2million. There shouldn't be any concerns with this issue going forward since we are only operating the Santa Cruz Bingo

M Scarborough made a motion to adjourn at 7:29 pm. Rowe Seconds. All approve

**Next meeting 10/23 at 6:30pm in MPR**
