**Treasurer's Report:** As of 9/2/2025 current bank balance is \$392,757. As of 7/31/25, our net income is -\$1559.69 with our goal to at least break even. Overall in a much better state than the previous year. Our total amount of bingo profit available for team payouts as of 7/31/25 was \$75,395 which was significantly higher than last year. Expectation is that due to low player participation in the summer months and likely more checks cashed for bingo inventory that our net income will likely go down by close of Fiscal Year 8/31/25 but still be profitable.

Scarborough makes a motion to approve the Treasurer's Report. Rowe seconds. All approve.

- Weight room hip bar pad (\$94.32) in addition to other weight room padding (invoice around \$100). Scarborough makes a motion to approve funds up to \$250. McIntyre seconds. All approve

- Football Buses - Increased away games this year. Last minute adjustment to schedule has Harbor playing away. Costa has confirmed that the school will provide buses to Harbor. The San Francisco game private buses has been paid. Two more away games that where school buses will not be available due to the timing of the games during school days conflicting with the buses being used for normal school day bus rides. Scarborough to discuss with Grant that

the Varsity game does not conflict with the school day and encourage that school buses be used for Varsity to ensure football has funds to cover for other items such as equipment. Costa to continue discussions with district to see how the district can support the Athletics with buses.
