President's Report: Vertical Raise has been a significant fundraiser for sports. With bingo closing the next focus will be on additional fundraisers (golf tournament, local bingo pop-up as we kept bingo equipment, etc).

Treasurer's Report: As of 12/31/25 (end of month) total bank balance is \$364,650.81. Performing financial wrap up from bingo (including inventory sale off which Weisse will coordinate with Hill).

Scarborough makes a motion to approve financial report. Rowe seconds. All Approve.

Current Funds Requests:

- Baseball
 - Sutcliffe requested boosters to cover costs of baseball which historically is covered by boosters in the amount of \$2,923.65. Although there is money in the baseball account that has been spent for this current season on baseball hats/snackshack start-up and Calamari feed start-up.

Scarborough makes a motion for boosters to cover baseballs. Sizemore seconds. All approve.

- Football
 - JV patches for winning all season \$626.04
 - JV Awards for team party \$201.48
 - Team parent gift

Based on previous years boosters paid 50% for the patches and each team gets \$150 for end of season awards. Rowe makes a motion for boosters to pay 50% patches and 50% to come from snack shack. Awards \$150 to come from boosters and rest to come from snack shack. Scarborough seconds. All approve. A private donation will reimburse team parent gift.

- Boys Volleyball
 - Upcoming two tournaments for a total cost of \$500. Fundraising for direct donations from players will be requested when season starts.

Scarborough makes a motion for boosters to cover tournaments. Rowe seconds. All approve.

- Beach Volleyball
 - Outstanding fee from last season for \$1500 for the Main Beach court rentals. Booster understanding is that the district pays for facilities. Costa to follow-up with Jeff that Boosters says facilities fees are not covered by district
 - Request for uniforms Sutcliffe notified them that he has plain jerseys with SLV and numbers and would provide some for beach volleyball.
 - There are no beach volleyballs. They cost approximately \$80 each.

Scarborough makes a motion for boosters to cover volleyballs up to \$700. Rowe seconds. All approve

- Boys Golf
 - Need uniforms but have funds in their account. At this point no request is being made of boosters.

Agenda Items:

- Bank Consolidation
 - Moved to next meeting so that outstanding checks can clear.
- Scholarships
 - Last year SLV Athletic Boosters awarded 5 - \$1000 scholarships. Due to the decreased profits Scarborough made a motion to reduce it to 3 - \$1000 scholarships. Rowe seconds. All approve
- Meeting schedule
 - Currently meeting the fourth Wednesday of the month. Modification was made previously from earlier in the month to allow all the bingo reports to come in. Now that bingo is gone, it makes sense to have the booster meetings earlier in the month so that

the financial reports are closer to current state. The new schedule will be the third Wednesday at 630pm in March as February has Ski week on the third week.

Meeting adjourned 7:31pm Scarborough. Next meeting will be Wednesday 2/25 at 630pm
