Agenda Items:

- Coaches dinner. Board discussed the costs of coaches dinner and the importance of recognizing and celebrating the coaches. Will continue to do it as Scopazzis this year but make modifications in effort to save money. Cash bar only (previously provided beer/wine) and continue to do plus 1. Sizemore to send out a coach of the year award survey. Still need to pick a date (usually a Sunday) at the next meeting and then Rowe to send out an evite.

- Booster Fundraiser - Board had further discussions on a community bingo event to occur on a Friday late September/early October. Need to review to ensure it does not conflict with any other community events. Potential dates to investigate are Friday 9/25 or Friday 10/2 at Felton Community Hall (4 hour rental at discounted non-profit costs). Event will be 7-9 with hall rental from 6-10 for set up and clean-up. Theme will be Sports Jersey Night. Will have a cover charge, ability to buy extra games and sell beer and wine. Rowe to come up with a pricing methodology and winner payout. McIntyre to reserve hall and do promotion mock-ups. As boosters moves towards doing more fundraisers discussion was had to add a new position to boosters "Fundraiser Coordinator" to help this additional work. New position to be promoted at the beginning of the school year via SLVHS emails to parents.
- Football Financial Status - Scarborough met with Grant to discuss financial football status. JV jerseys are needed this year as the main 2026 season costs. Football has fundraising planning in the works. Varsity Jerseys are paid for by players individually so can automatically pay that bill. Football Camp is paid for players individually so can automatically pay that bill.
- Zeffy - Sizemore has created a Zeffy account so we can collect donations without incurring the credit card transaction fee costs. Still putting it together and not ready for team use yet. Need validation of deposits made to bank account before rolling out.

Meeting adjourned 7:13pm.
