Scarborough to follow-up with Calden for further discussion, in particular confirming the bus situation and the gate fees that are collected now for officials fees.

Treasurer's Report: The June month end reports were distributed in the meeting: Statement of Activity 9/1/2025-6/31/2026, SLV Booster Summary of Team accounts month end June 2026. Bank balance at the end of June was $350,336. For the fiscal year the booster account has decreased by ~$38k.

All of the sports teams are now in the positive.

Scarborough motions to approve the Treasurer report. McIntyre seconds. All approve

Agenda Items:

- Coaches dinner. Proposal of Sunday 10/18/26 for the coaches Dinner. Scarborough to reach out to Scappozi's for price and for date confirmation. Sizemore to send out a coach of the year award survey. Rowe to send out an evite after date confirmed.

- Booster Fundraiser - McIntyre reserved Felton Community Hall on 10/2. Discussion of buy in costs and buy-in will be $30 for five games ($5 a game) with $100 pay-out per game. Option to buy more games. McIntyre to do promotion mock-ups and ABC license. Scarborough to reach out for beer/wine donations.

- Zeffy - reviewed mock-up of Zeffy. Weisse approved and would manually import any payments via Zeffy excel report extracts. During the meeting we reviewed that the school has Zeffy attached to their website for sports donations. Before moving forward with any changes, Scarborough to discuss with Costa/Calden the confusion of where we should be funneling money through, it's confusing to parents if we have both ASB and Boosters collecting monies and additionally confusing for coaches of where they should submit fund requests if monies are going into the two separate accounts.

Next meeting will be Wednesday 8/19/2026 at 630pm in the MPR room.

Meeting adjourned 7:58pm.
